### **ASIAWATER 2020 RESCHEDULED TO NOVEMBER 30 - DECEMBER 2**

Informa Markets, the Organiser of ASIAWATER 2020 has announced new dates of November 30 - December 2 for the show to take place at Kuala Lumpur Convention Centre (KLCC), Malaysia.

ASIAWATER 2020 was originally scheduled from March 31- April 2.

The decision was taken after careful consideration and close consultations with stakeholders following the concerns and uncertainties arising from travel disruptions and other circumstances due to concerns of the COVID-19 situation. We seek the understanding of exhibitors, visitors and attendees who had looked forward to attending the show end of March and regret for any inconvenience.

Informa Markets will continue to work closely with all participants to ensure the success of ASIAWATER 2020, now taking place from November 30 - December 2. Your continued support for ASIAWATER is greatly appreciated and we look forward to welcoming all of you this coming end of November.

We wish to express our sincere sympathies for those affected in China and other countries and hope the situation will return to normal as soon as possible.
