

3rd September 2020

Vietwater 2020 Rescheduled

Dear Valued Exhibitors,

After careful deliberation with key industry members and partners, Informa Markets in Vietnam has taken the difficult but necessary decision to reschedule the upcoming **Vietwater 2020** and its co-located event: weTV Expo, taking place for 11 – 13 November 2020 to the next edition. The next edition, **Vietwater Ho Chi Minh 2021 will take place from 10 – 12 November 2021** at **Saigon Exhibition and Conference Center (SECC), Ho Chi Minh City.**

We believe the new dates will allow more time for normality and confidence to return to the marketplace and provide all-around better conditions for exhibitors and visitors to engage. Please accept our apologies for any inconvenience caused. In the meantime, we will be launching additional communications and digital opportunities to engage Vietnam's water supply, wastewater and environment industry, and to keep you and the industry up-to-date leading up our 2021 event date.

We wish to thank those who participate and support **Vietwater 2020** and we greatly appreciate your support. Our sole focus remains to provide an event of enhanced quality, with more exhibitors and qualified trade buyers to make your participation a huge success.

As our loyal and valued customers, we would like to propose the following options to you in respect of your participation at Vietwater 2020:

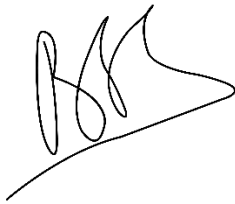

1. Transfer your participation and 100% payment already made for Vietwater 2020 to Vietwater Ho Chi Minh 2021 (10 – 12 November 2021).
2. Spend 15% of total contract fee to Digital Products and transfer your participation and the rest of your payment made for Vietwater 2020 to Vietwater Ho Chi Minh 2021 (**10 – 12 November 2021**). The outstanding balance for your 2021 participation will be due in accordance with the payment terms specified by us.

We look forward to hearing from you on your preferred option by **no later than 30 September 2020**, following which a member of the Vietwater team will be in touch to discuss confirming the details of your selection. Be sure to look out for additional communications and services from our team to keep you and the industry connected.
